

For a leading European company in healthcare distribution and services, we are currently looking for a:

Senior Manager - M&A & Integration (m/f/d)

Location: Rhine-Main region/hybrid

Compensation: 150,000 EUR total compensation

Start Date: As soon as possible

Working Language: English

Your Responsibilities:

- Lead and manage complex M&A projects across the full transaction lifecycle.
- Drive the planning and execution of post-merger integration activities, identify synergies, establish effective governance structures and ensure transparent progress tracking.
- Continuously enhance the organization's M&A integration framework and contribute to the evolution of best practices across the group.
- Coordinate closely with cross-functional stakeholders, including legal, tax, finance, as well as merger control streams, to facilitate successful transaction execution.
- Build trusted relationships with senior internal and external stakeholders, working closely with executive leadership and international business units throughout the transaction process.

Your Profile:

- Outstanding academic background.
- Minimum of five years of experience in managing/leading M&A transactions and PMI projects.
- Industry experience in healthcare or logistics as well as familiarity with regulatory approval processes and merger control are considered an advantage.
- Strong analytical skills combined with a hands-on, solution-oriented approach and excellent communication skills.
- Business-fluent English is required; German is not required.
